Sprague, grand president, of Grinnell College, Grinnell, Ia.; Dr. William Englebach, grand vice-president, of St. Louis University; Dr. Paul Brickey of Alpha Mu chapter, St. Louis.

The following members of the local Scalpel Club were initiated into the national organization: A. A. Hobbs, Lee G. Potter, Jesse O. Coffee, Ernest E. Huber, Oscar V. Batson, W. B. Heidorn, John B. Carlisle, Harrison C. Trippie, John L. Evans, Leslie A. Wilson, Richard E. Westlake, George V. Lewis, John R. Smith, Alvin Sach-Rowitz, Jefferson Southard, Gaylor T. Bloomer, Luther C. Davis, Carl S. Williamson, and Radford S. Pittam.

Dr. M. P. Ravenel and Dr. Sidney Calvert of the School of Medicine faculty, the visiting delegates and several of the initiates responded to toasts. Alpha Phi is the forty-fourth chapter of Alpha Kappa Kappa and the second national medical fraternity to be established at the University of Missouri.

ENDEAVORERS INSTALL OFFICERS**Toasts and Music Are Part of Young People's Program.**

Sixty members and friends of the Christian Endeavor were present at the society's first installation supper Friday night in the chapel of the church. G. Alex Hope, the retiring president, as toastmaster called upon Miss Elizabeth Yoast and H. E. Rasmussen, retiring secretary and treasurer for short talks. John Kochtitzky, newly elected treasurer, and J. S. Moore also gave toasts. Music was furnished by Edward B. Olson, violinist, and a male quartet made up of members of the society.

The officers elected for next year were installed by the Rev. W. W. Elwang. They were elected last Sunday night at the regular meeting and

are: President, Curtis B. Hurley; vice-president, Edwin L. Myers; secretary, Nancy Bonham, and treasurer, John S. Kochtitzky.

NEGRO PUPILS GIVE MINSTREL**Fred Douglass High School Clears \$60 for Athletic Department.**

Eighteen boys of the Fred Douglass High School gave a minstrel show Friday night in St. Paul's Hall. More than \$60 was cleared. The money will be turned over to the Board of Education to be used in developing the athletic department of the Fred Douglass School.

The program consisted of three parts: the minstrel opening and two sketches, Mr. and Mrs. Jim Jackson Lee and Children and "Reception Given by Grand United Order of Sons of Rest in Honor of George Washington Bullion of Abyssinia." The cast was coached by the principal, J. E. Jones, and the teaching staff. Refreshments were served by the girls of the domestic science department.

BAD CHECKS PASSED HERE**Young Woman Gets \$80 From Each of Two Columbia Banks.**

The passing of two bogus checks, each for \$80, on Columbia banks about two weeks ago has become public. One was passed at the Boone County National and one at the Exchange National bank. Each was made out on a bank at West Plains, Mo., and was passed by a young woman who said she was a student. It is thought that the forgeries were the work of a pair of forgers who have operated all over the country.

Negroes to Have Entertainments.

A musical program will be conducted by Miss Bertha Sallies, a teacher in the Douglass School, at 3 o'clock this afternoon in the St. Paul A. M. E. Church, Fifth and Park, for the benefit of the Woman's Mite Missionary Society. A young people's chorus of twenty voices will be one of the features. Tonight Prof. J. B. Coleman will exhibit thirty-five stereopticon slides telling the story of "The Creation and Fall of Man."

HAIG IS MILE NEARER CAMBRAI**Capture of Connelien and Repulse of German Attack Detailed.**

By United Press
LONDON, April 21.—Field Marshal Haig smashed another blow at Cambrai today and advanced more than a mile toward the stronghold of Hindenburg's line. His capture of Connelien was announced in an official statement today.

The British commander-in-chief reported sharp fighting in the drive. He likewise detailed the repulse of Germans delivered in an attack on Fouquissart and continued artillery fire at several places along the front.

Water Shut Off in Repairing Valve.

Part of the water supply in Columbia was shut off yesterday for about thirty minutes on account of a leaky valve. The valve at Ninth street and Broadway could not be completely closed because the pressure was too strong. The faucets at both Ninth and Broadway and Ninth and Cherry were opened to relieve the pressure, but the water had to be cut off before the leaky valve could be completely closed.

HAVE YOU SEEN "THE GREATEST SHOW IN THE WORLD"

(ASHTON STEVENS IN THE CHICAGO EXAMINER)

Once in a generation, perhaps, there arises somewhere in the world a genius and from his brain there flashes forth an accomplishment that makes the whole world wonder.

A few years ago such a genius appeared in the almost unexplored field of motion pictures. This man was the first to really grasp the possibilities of the motion picture, to really see its future. His name was

D. W. GRIFFITH

And he astounded the whole world with a picture play so far ahead of anything that had ever been dreamed of, that the whole world wondered.

The masterpiece he produced dwelt with the most dramatic period of our national history, and it was called the "BIRTH OF A NATION."

MOST MEN WOULD HAVE BEEN SATISFIED

with this achievement, but the man of genius is never satisfied. So Mr. Griffith's ever active brain began searching for something bigger and greater.

He himself was his only rival—he had excelled every one but himself, and now his task was to excel himself. And this he did, for he produced
